

# TEACHER STRESS

The results from the Teacher Stress Questionnaire  
 Conducted by the Maricopa County School  
 Superintendent Steve Watson October/November 2021.

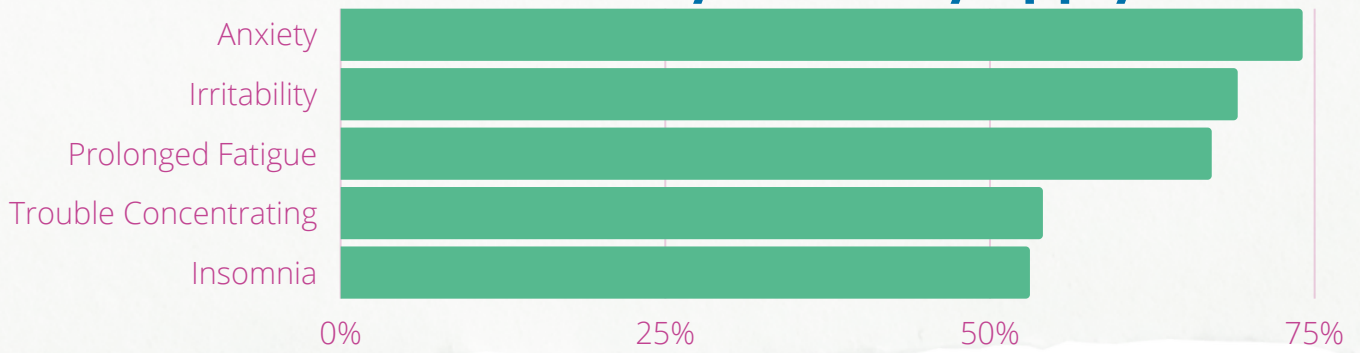

## Do you feel stress at work?

**96%  
YES**

2,489 responses

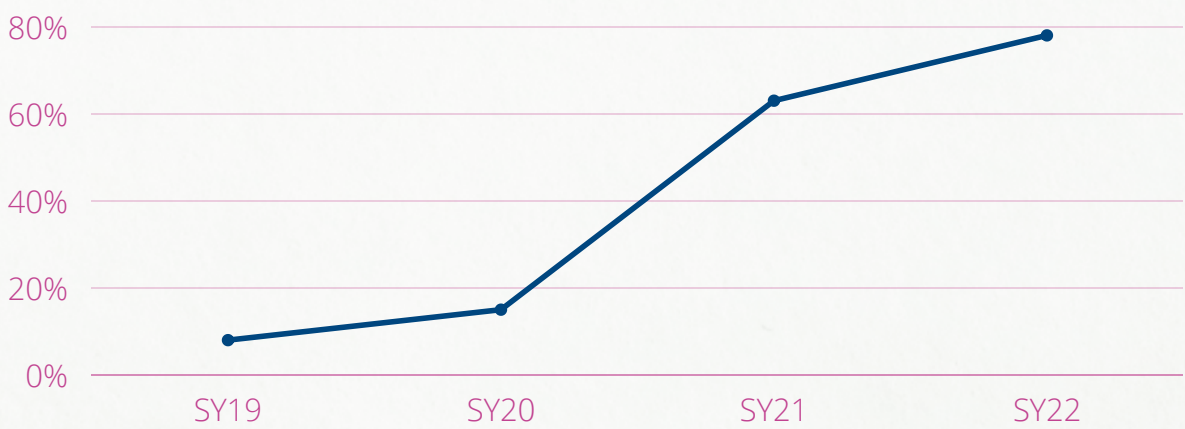

## Please select the symptoms you experience due to stress (select any that may apply).

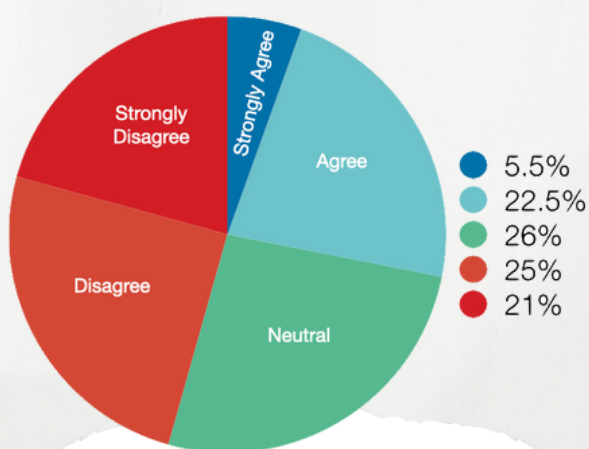

## Rate the level of your job stress year over year.

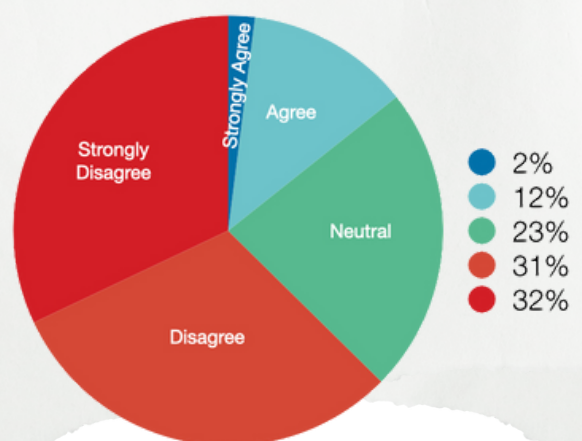

Data points represent percent of respondents that indicated levels of "severe" and "extreme" levels of stress.

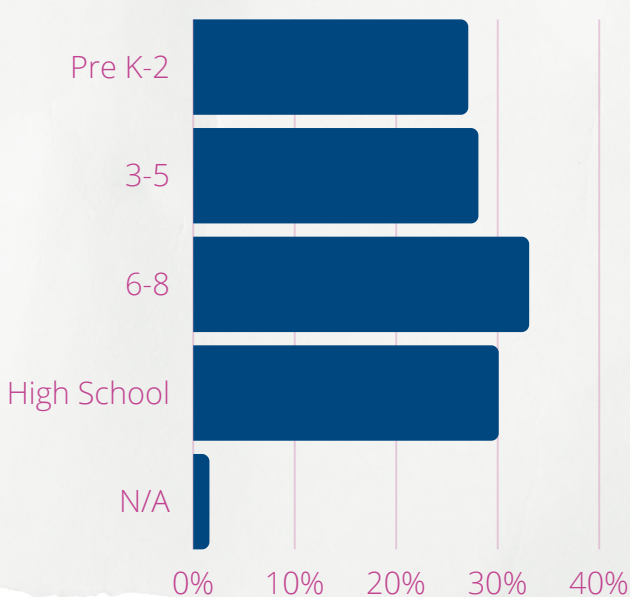

## Does school leadership mitigate your stress?

## Does district/charter leadership mitigate your stress?

## What grade-level bands do you teach?

## How many years have you taught?
